4. **Cautions for Use**

- Please check carefully for any skin abnormalities before use.
- If the product does not suit your skin—such as in the following cases—discontinue use immediately. Continuing use may worsen symptoms, so we recommend consulting a dermatologist or medical specialist:
 - If you experience redness, swelling, itching, irritation, loss of pigmentation (such as white spots), or darkening.
 - If similar symptoms appear after exposure to direct sunlight on the area of use.
 - Do not use on areas with wounds, swelling, rashes, or other skin abnormalities.
- If the product gets into your eyes, rinse immediately with plenty of water.
- Keep out of reach of infants and small children.
- Do not store in extremely high or low temperatures, or in direct sunlight.
